Drawn In: Living Out the Creative Life with God

We spend too much time being “driven” rather than “drawn in.” We focus on what we “should” do rather than what we feel excited and compelled to do in our lives, in this world. During this series, we will connect with our inherent creativity and nurture this foundational aspect of being human, giving us renewed energy for passionate work, delightful play, and creative problem solving to make this world a better place for all.
