Drawn In: Living Out the Creative Life with God

What gets us “stuck” in the creative process?

Creativity expert Adriana Diaz said, “Creativity is a combination of making something happen and letting something happen...”

Sometimes we get stuck because we are working too hard to make something happen when what we also need to do is let something unfold—to perceive that which is yearning to come to the surface if we will just let it.

Hear the Good News!

God is the one who sets the boundaries of what is possible and those boundaries are not fixed, but defined by ever-new possibilities of growth. Part of the creative process is to let go and let God show us what is bubbling to the surface of our lives.

As our greeting and passing of the peace today, I invite you to turn to your neighbors and encourage them this way, “Stay open.”
