## "Celebrating Dr. Martin Luther King, Jr."

*Dear Friends in Christ in the Michigan Conference of The United Methodist Church,*

Greetings on this celebration of the birthday of the Rev. Dr. Martin Luther King, Jr. This national holiday was instituted to remember the Rev. Dr. Martin Luther King, Jr. and his significant work for civil rights, his work to make the promise of the United States of America real for all its citizens.

Dr. King used his intelligence and eloquence and rich voice to articulate a renewed American dream "when all of God's children, black men and white men, Jews and Gentiles, Protestants and Catholics, will be able to join hands and sing in the words of the old Negro spiritual, "Free at last, Free at last, Great God a-mighty, We are free at last." King delivered these words in Washington, D.C., on August 28, 1963, as part of the "March on Washington for Jobs and Freedom." Dr. King was a profound dreamer with a phenomenal ability to put those dreams into words. As Christians, we remember that Dr. King's dreams were rooted and grounded in faith in Jesus Christ. Dr. King not only called the nation to live out the true meaning of its creed that all were created equal, but also called people of faith to live out their faith by doing the work of justice, peace, reconciliation, and love.

This year, as we celebrate Dr. King's birthday, I would ask us to recall some of the historical context for that speech. In that well-known "I Have a Dream" speech, King noted the realities of police brutality against Black people, and of segregation by race and the scars it left on children who were denied access and participation.

Be people of hope, not people given to bitterness or apathy. Hope with eyes wide open to the realities of the present situation, but hope. Think deeply and with nuance, but think. Speak judiciously and with care, but speak. Witness peacefully for the common good and against evil, injustice, and oppression, but witness. Pray always. Be salt. Be light.

*Grace and Peace,*

### God's Outlaw (a DVD)

Produced by Greenville Film Productions

"God's Outlaw: The Story Of William Tyndale" is dramatic and inspiring. It tells the true story of William Tyndale, who translated the Bible from the original Greek into English for all of England, even though the Catholic Church and even the king stood against him. Before Tyndale's translating work, the scriptures were only available in Latin to the church leaders of the day.

Roger Rees gives a strong performance as the kind, but determined, William Tyndale, who wanted men to find Christ and believed that faith in God's grace brings salvation. He often got into trouble for making controversial statements. For example, he said he'd see to it that ploughboys knew more of the scriptures than the Pope. Tyndale traveled to Germany to print his English Bible, and copies began turning up in England.

Tyndale's final prayer was that the king would have his eyes opened, and when the king, a year following Tyndale's death, ordered every church to display one volume of Tyndale's English Bible, his prayer was answered. The king's act served as an answer to his petition, as well as a memorial to Tyndale.

## Cat is out of the Bag

Carol Morrell and Joan Sanders have joined forces to vitalize the Utica's Church Library. Our first attempt at revitalization is to establish a DVD library. I'm following the line from the *Field of Dreams* movie, "Build it and they will come."

Carol has a handful of religious DVDs to get things rolling. But she is placing a box in the library in the hope others can donate to the collection. I'm putting my faith in the passage from the book of Matthew 14:13-21. (I've got 5 loaves of bread) Hoping to start with about 15 DVDs and grow from donations made by the church congregation.

## Red Cross Blood Drive

The need for blood is constant. The American Red Cross will be here on January 28, 11am-5 pm.

Help them be ready to assist people!

Book your donation appointment online at [RedCrossBlood.org](http://RedCrossBlood.org) or give them a call at 1-800-733-2767. Our sponsor code is uticaumc.

## Celebrate Recovery Changing Lives

As we step into a new year, we also celebrate a milestone: **Celebrate Recovery at Utica United Methodist Church is beginning its seventh year of ministry.**

From the very beginning, we've prayed a simple prayer before each Thursday gathering:

*"Lord may tonight's meeting, and the words You put into our mouths, affect just one person. Amen."*

And God has answered.

The numbers tell a story of quiet, steady impact. But it's not about the numbers. The numbers only hint at the deeper truth: when people show up, healing begins.

Over the past six years, an average of twelve people have gathered weekly. In total, seventy-seven individuals have walked through our doors—each one carrying hurts, habits, and hang-ups, seventy-seven lives touched. Seventy-seven life stories. Seventy-seven journeys toward hope, and each one finding that hope in Christ and in community.

Celebrate Recovery is often misunderstood. Some think it's only for "those people." But the truth is, we are all "one of those people." Every one of us has been hurt, and every one of us has hurt others. We all develop habits and coping mechanisms to avoid dealing with the pain, and sometimes those habits grow into hang-ups—fears, anxieties, or obsessions that weigh us down.

Celebrate Recovery is not about labels. It's about healing. It's about people helping people. It's about discovering that God's grace is big enough for all of us.

At Utica, our group seems to serve as an introductory, a safe place to begin the journey. Many move on to larger or more specialized groups, but every step matters. Every person matters.

If you've ever wondered what Celebrate Recovery is—or what it isn't—we invite you to join us. **Thursday evenings at 6:30 PM.** Come as you are. Bring your questions, your hurts, or simply your curiosity.

It just may change your life.

In Christ's love,

*Bob & Patsy*
